# ASSEMBLY INSTRUCTION

## WOVEN BOOK SHELF

1. First, place the side panels one by one in upward position.

2. Unfold the side panels into the top and bottom shelf.

3. Insert top, middle and bottom shelf peg into the holes of the side panels pipe frame as shown.

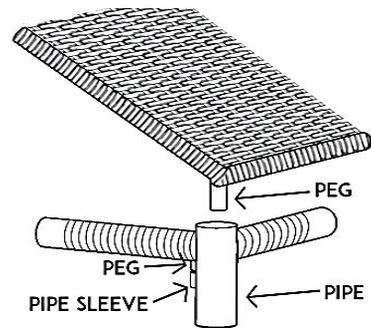

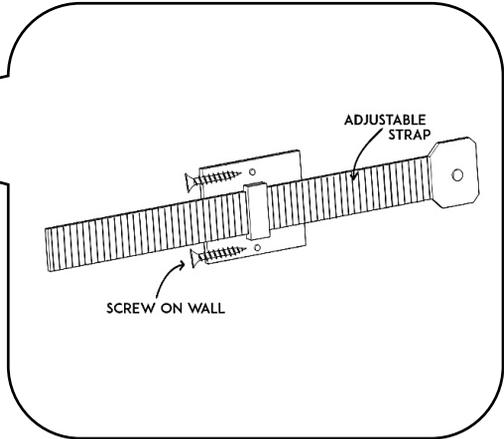

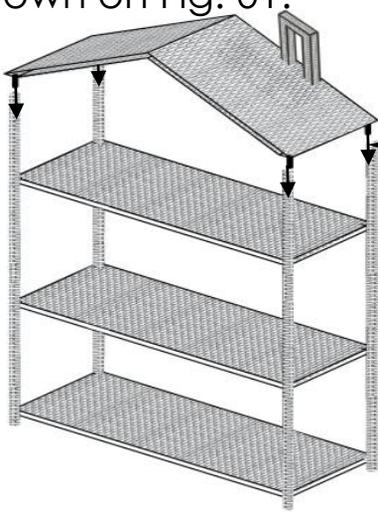

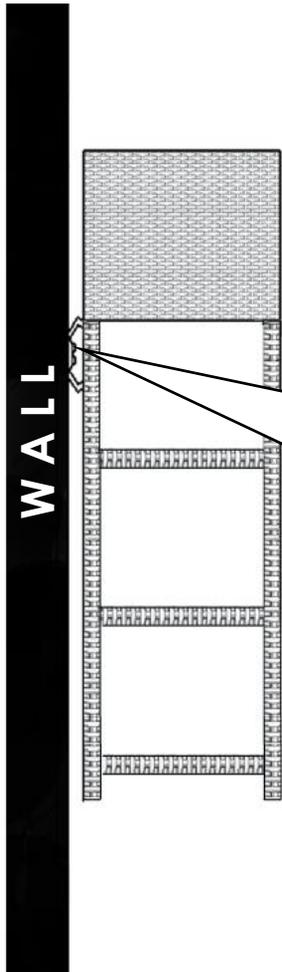

Fig. 01

4. Unfold the roofing panel and place on top and insert again the roofing pegs into the holes of the side panels pipe frame as shown on Fig. 01.

5. Insert the adjustable strap on the back upper corner of the item.

6. Lastly, hanged and screw it on the wall as shown in Fig.03.
