Assembly Manual

Kalune Design
— Furniture

Dear Customer,
We design and produce our products for people
to love and have fun with them as we do.
The product you bought was subjected to all sorts
of tests and control before sending out to you

Before start assembling,please chesck the whole components and accessories according to the lists.

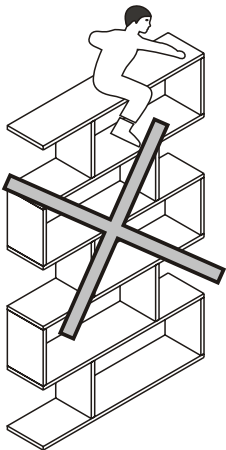

If you bought more than one product,to prevent confusion be sure that you completed the first product. Then start the other product's assembling

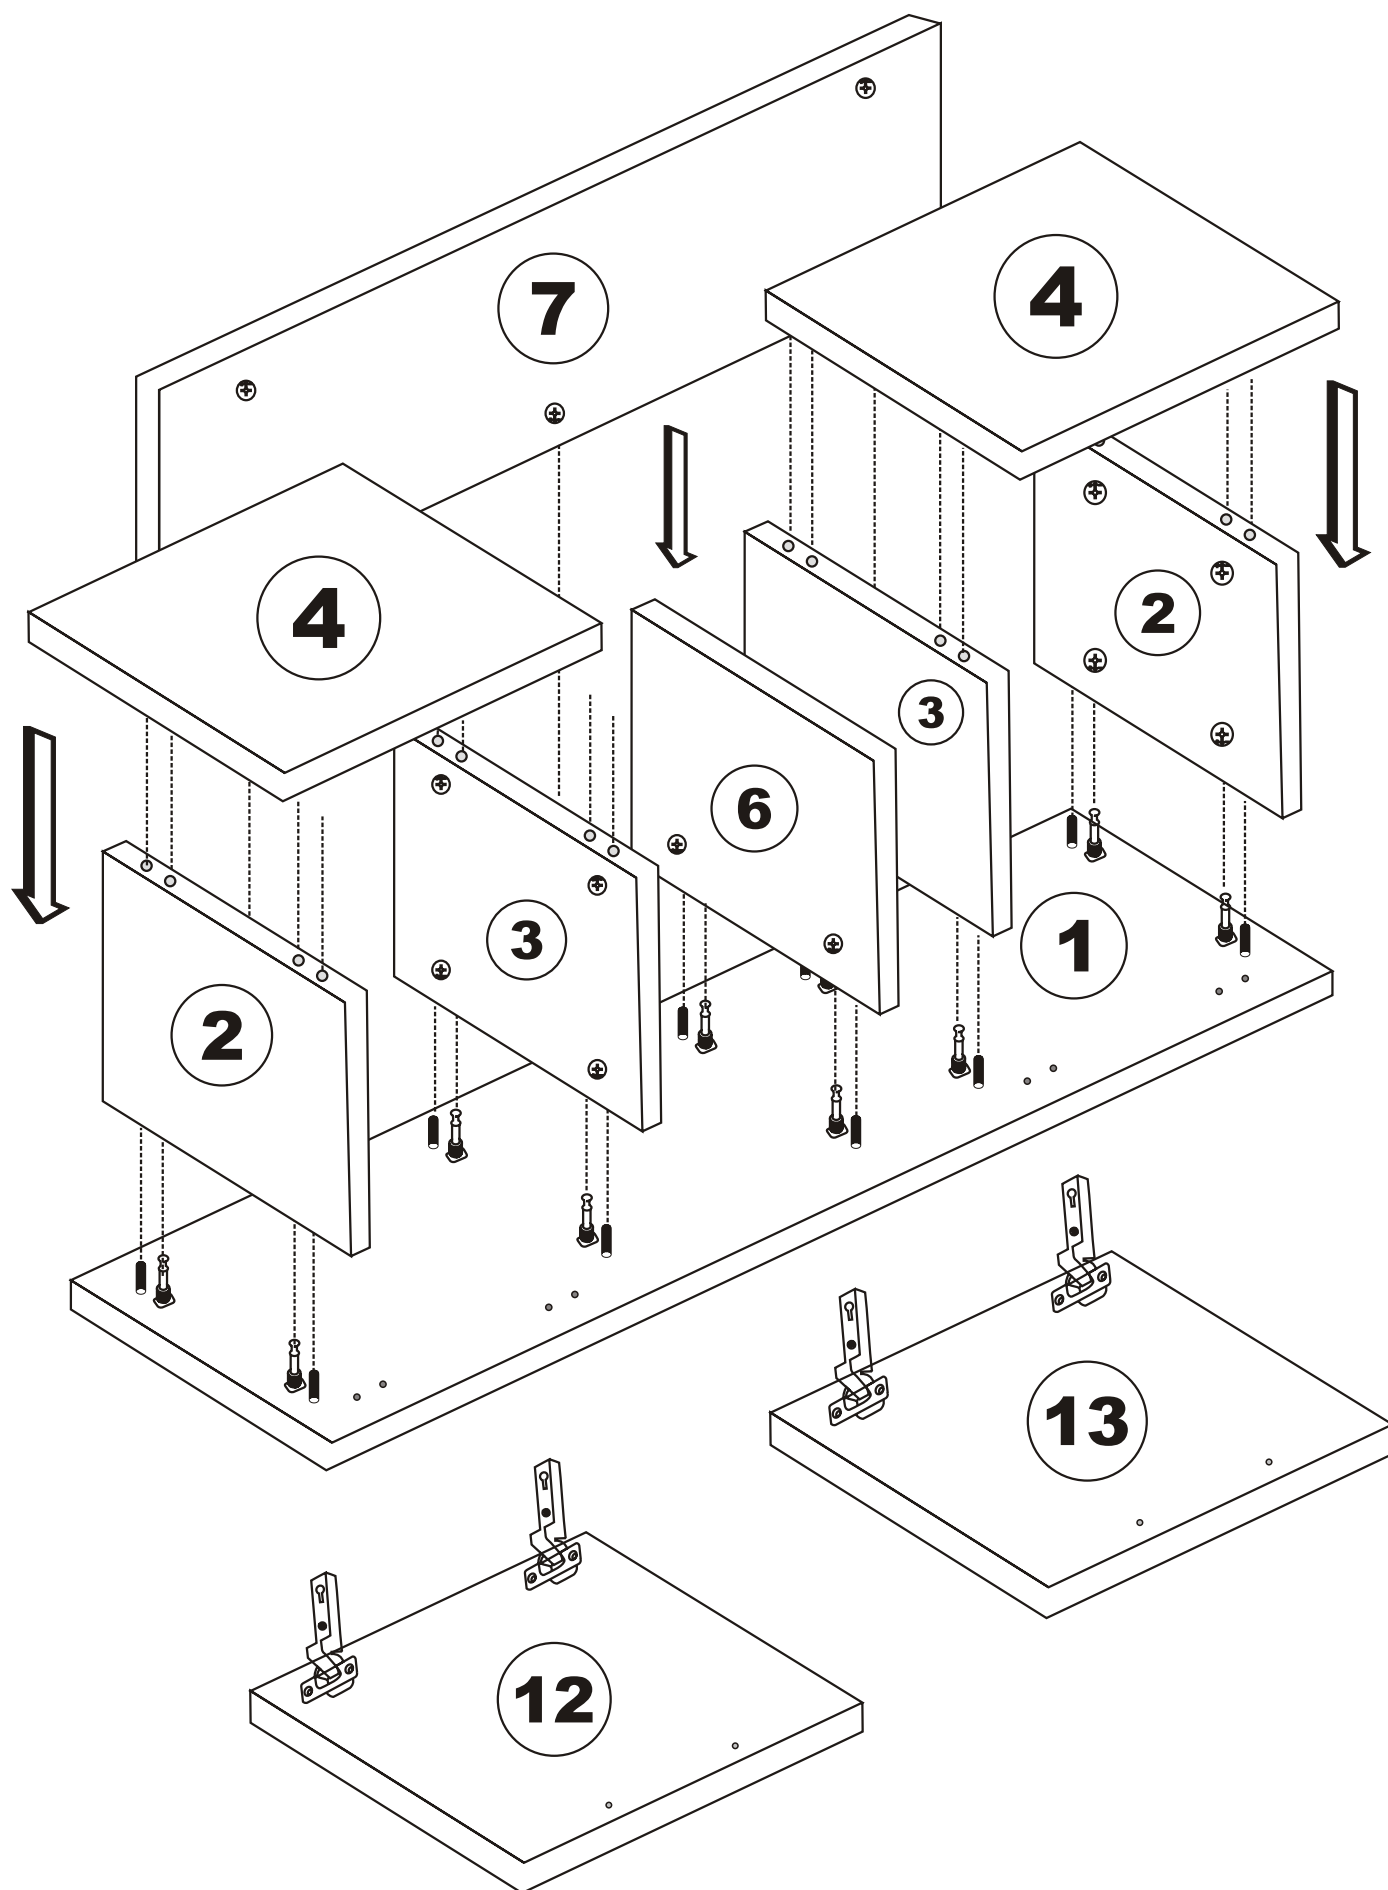

Before start assembling,please clean all the compenents with a damp cloth .
Also for usual cleaning,this will be enough

Despite the careful control and packaging of the products,if you encounter a problem during shipping
check the necessary parts and contact the dealer
from whom you bought the product in case of a problem

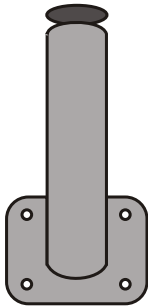

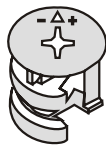

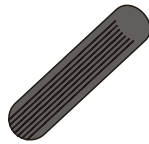

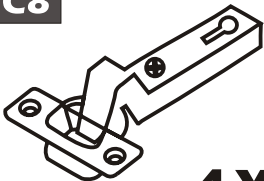

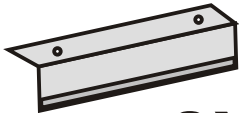

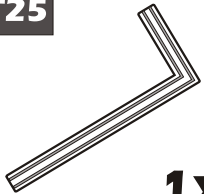

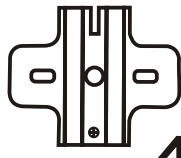

Do not use your furniture for out of purposes.Do not directly contact your furniture with excessive heat, cold and humidity because the product can be affected..

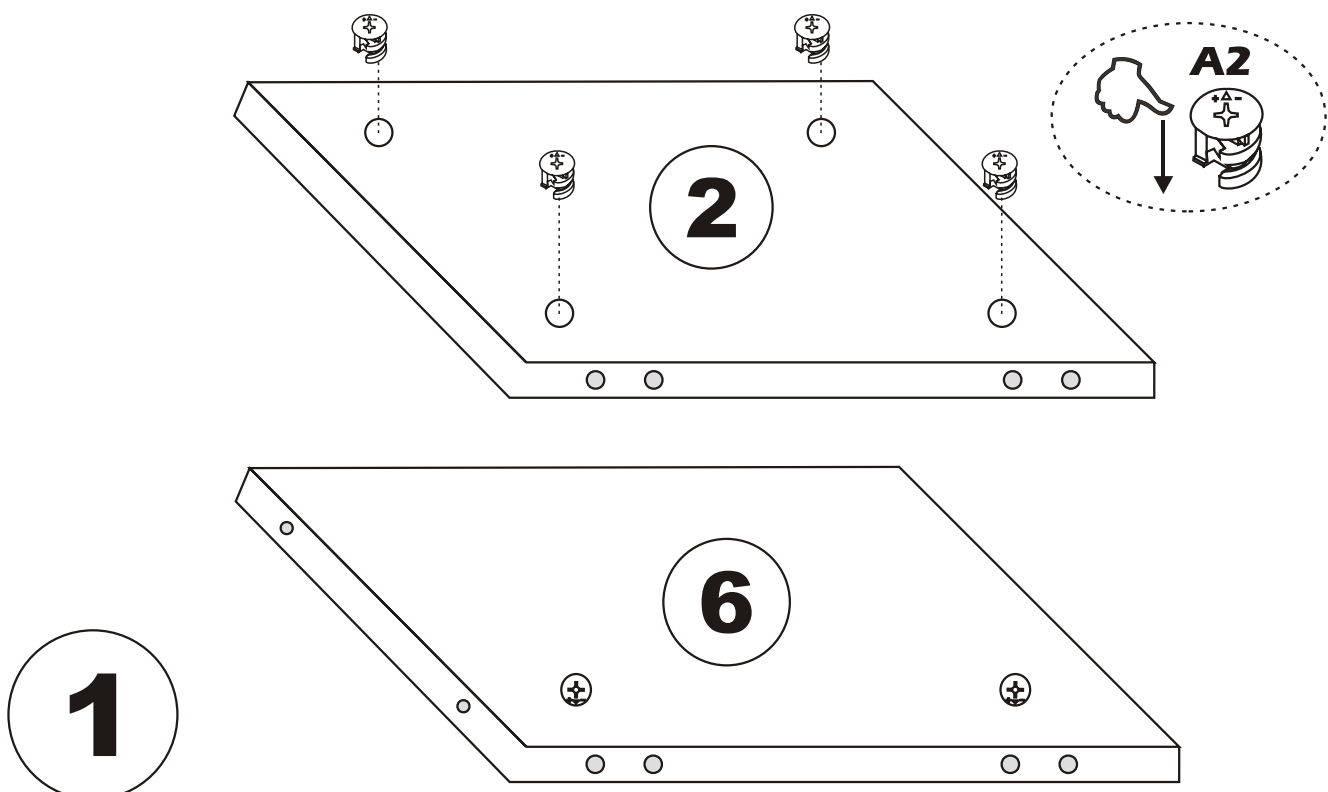

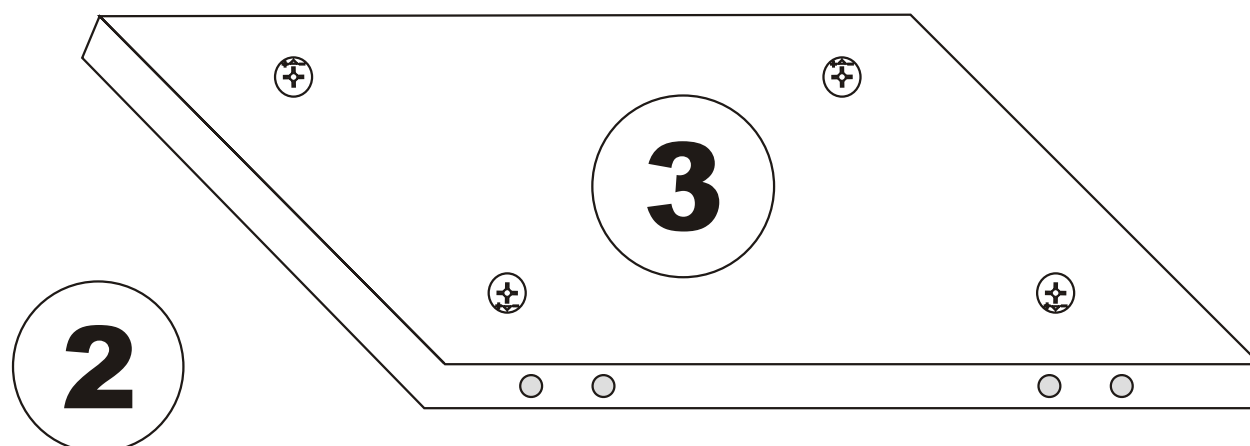

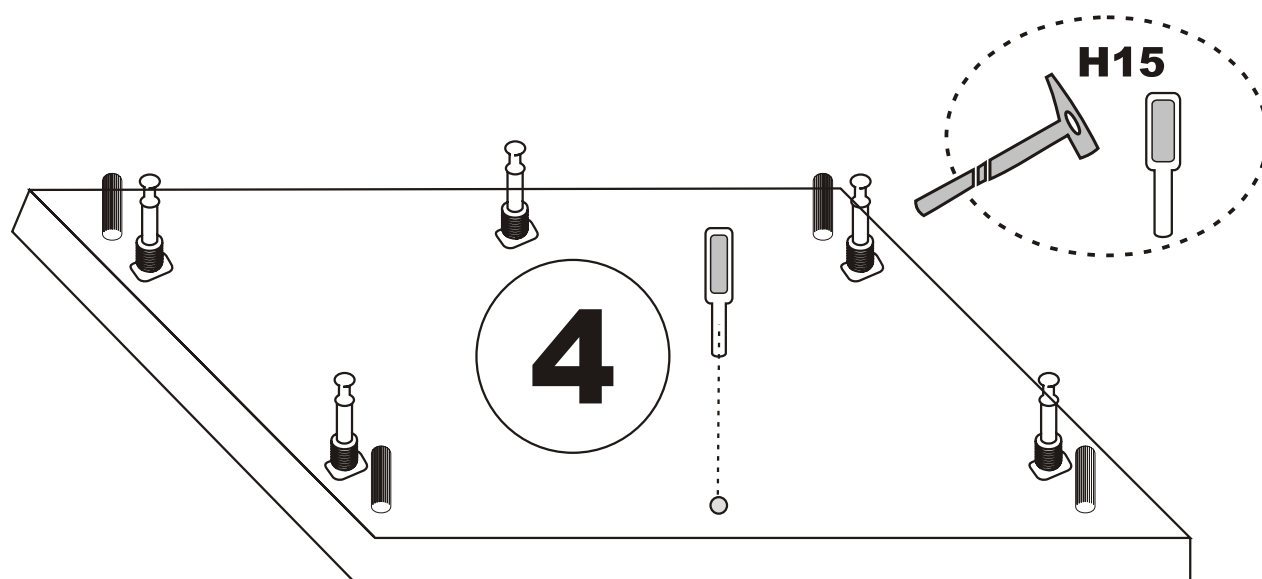

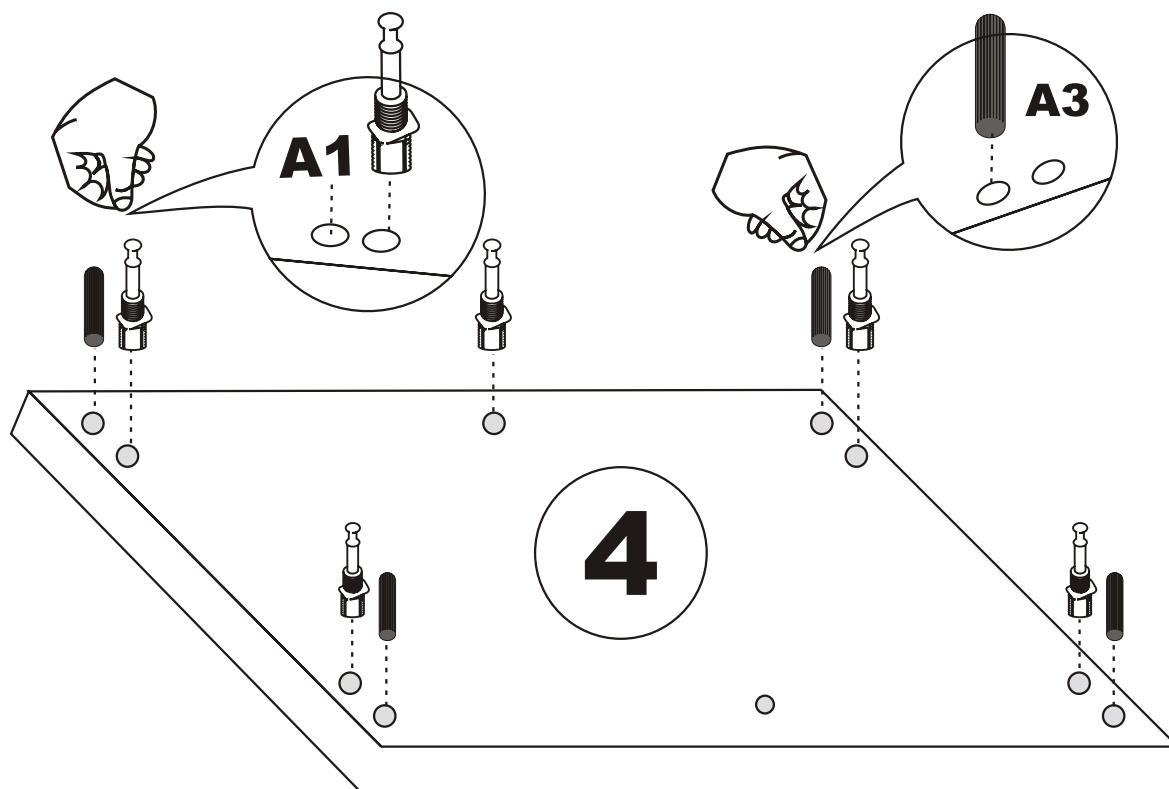

Minifix is the main connection material used in Decortile products ,
Before starting assembly , Please check the drawings below
