## Chandelier Eurelia 2145048-01-0

## ATTENTION:

- 1. In order to avoid getting hurt or scratching the finish while installing, please wear gloves.
- 2. Don't install any lamp on the wet or not complete dry ceiling.
- 3. Don't leave the lamps close to acidic and alkaline chemicals or gases which are corrosive. Don't wash the lamp by water. Please clean the lamp by a piece of clean, dry any soft cloth. Otherwise the lamp will get rusty.
- 4. Please take care while installing the lampshades in case of avoiding breakage.
- 5. Please install the lamp under the instructions of professional electricians.
- 6. While installing, the power leads must be matched well and tightly. Make sure all the screws are tight enough before turning on the power . Otherwise it will cause the electrical components burning because of the short circuit of the terminals.
- 7. Please switch off the power first before installing ,cleaning the lamps or changing the bulbs.
- 8. Do not drag the wires and plugs overexertion. Disassembled at will is not allowed.
- 9. In order to avoid danger, the damaged extension electric wire should be replaced by relevant qualified personnel.
