## Table Lamp Balloon 2147524-01-0

## ATTENTION:

- 1. In order to avoid getting hurt or scratching the finish while installing, please wear gloves.
- 2. Don't leave the lamps near acidic and alkaline chemicals or gases which are corrosive. Don't clean the lamp with water. Please clean the lamp with a piece of clean, dry and soft cloth.
- 3. Please take care while moving the lamp to avoid breakage.
- 4. Please switch off the power first before installing, cleaning the lamp or changing the bulbs.
- 5. Do not pull too hard on the wires and plug.
- 6. In order to avoid danger, a damaged extension electric wire should be replaced by relevant, qualified personnel.
